### **Subpart B—Citizen Participation and Consultation**

#### **§ 91.100 Consultation; local governments.**

(a) *General.* (1) When preparing the consolidated plan, the jurisdiction shall consult with other public and private agencies that provide assisted housing, health services, and social services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during preparation of the consolidated plan.

(2) When preparing the portion of its consolidated plan concerning lead-based paint hazards, the jurisdiction shall consult with State or local health and child welfare agencies and examine existing data related to lead-based paint hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned.

(3) When preparing the description of priority nonhousing community development needs, a unit of general local government must notify adjacent units of general local government, to the extent practicable. The nonhousing community development plan must be submitted to the state, and, if the jurisdiction is a CDBG entitlement grantee other than an urban county, to the county.

(4) The jurisdiction also should consult with adjacent units of general local government, including local government agencies with metropolitan-wide planning responsibilities where they exist, particularly for problems and solutions that go beyond a single jurisdiction.

(b) *HOPWA.* The largest city in each eligible metropolitan statistical area (EMSA) that is eligible to receive a HOPWA formula allocation must consult broadly to develop a metropolitan-

wide strategy for addressing the needs of persons with HIV/AIDS and their families living throughout the EMSA. All jurisdictions within the EMSA must assist the jurisdiction that is applying for a HOPWA allocation in the preparation of the HOPWA submission.

(c) *Public housing.* The jurisdiction shall consult with the local public housing agency participating in an approved Comprehensive Grant program concerning consideration of public housing needs and planned Comprehensive Grant program activities. This consultation will help provide a better basis for the certification by the local Chief Executive Officer that the Comprehensive Grant Plan/annual statement is consistent with the local government's assessment of low-income housing needs (as evidenced in the consolidated plan) and that the local government will cooperate in providing resident programs and services (as required by § 968.320(d) of this title for the Comprehensive Grant program). It will also help ensure that activities with regard to local drug elimination, neighborhood improvement programs, and resident programs and services, funded under the public housing program and those funded under a program covered by the consolidated plan are fully coordinated to achieve comprehensive community development goals.

#### **§ 91.105 Citizen participation plan; local governments.**

(a) *Applicability and adoption of the citizen participation plan.* (1) The jurisdiction is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation. (Where a jurisdiction, before February 6, 1995, adopted a citizen participation plan that complies with section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(A)(3)) but will need to amend the citizen participation plan to comply with provisions of this section, the citizen participation plan shall be amended by the first day of the jurisdiction's program year that begins on or after 180 days following February 6, 1995.)

(2) *Encouragement of citizen participation.* (i) The citizen participation plan
